RCA booths at the Rochester Hamfest and Dayton Hamvention™

RCA Director Ron Jakubowski, K2RJ, arranged for a RCA booth at the Rochester Hamfest and Atlantic Division ARRL Convention in Rochester,

N.Y., May 30-31. The booth was used to promote and give visibility to the Radio Club as well as invite new members. There was significant interest from members of the Antique Wireless Association, headquartered near Rochester, to join in preserving the Club's historical artifacts and providing papers for our Centennial publication next year.

RCA Executive VP Stan Reubenstein, WA6RNU, handled the booth at the Dayton Hamvention™ in Trotwood, Ohio, May 16-18. Radio Club members Steve Meer, K0SCC, Ron Jakubowski, K2RJ, and Bob Walsh, WA8MOA, were there to help. During the meeting, they signed three new members and talked to scores of members who came by to say hello. One former recipient of one of our scholarships stopped by to pick up an application and told us how we helped him get through school at Virginia Tech. He now works for Ball Bros. Research in Boulder, Colo.

I'm here for another year

During the June Board of Directors meeting last week, there was discussion about the Executive Secretary contract. Rumors that the Radio Club is not holding its own financially and can't afford to pay an Executive Secretary have been circulating among the membership, but our Treasurer has confirmed the Club is, indeed, in decent financial condition. As such, the Board voted 12-2 to keep me on so that I can continue to work with this wonderful Radio Club organization.

-Karen Clark, Executive Secretary
