

Carroll Hollingsworth **M 1989 F 1999**

Currently Director of the Club and Chair of The RCA Annual Texas Event. CEO of D H Marketing Lago Vista, Texas since 1989. US Navy (1964-71), Cryptologist Radio Technician. Certified Professional Manufacturers Representative, Arizona State University. Board Member and Past President of the CMA, MRERF, APCO, US Navy Cryptologic Veterans Association, American Legion and Lions International.

Position Statement

As a Fellow of the Radio Club of America and a Member of the Board of Directors, my priority as a director of RCA is to preserve the rich heritage of the club. We must insure that the Radio Club of America welcomes all members of our industry, especially the younger members, who is the future of our club and industry.

I have worked as the Chair of the Texas Event since its beginning. This event has been very successful because of its relationship with the Texas APCO organization. The Texas Event has been a success in introducing RCA to individuals who did not know about its existence, bringing in new members and raising funds for The Radio Club.

A personal goal of mine has been to increase the membership of RCA and assist in retention of the current membership. I have been able to bring in several new members and hope to retain our current members with regional events, industry training presentations and working with other industry organizations.

I am dedicated to giving the time needed to being a productive member of your clubs board of directors. I will continue to participate in all clubs events, and board meetings. I will always conduct myself in an ethical, positive manner in representing you and your club. The Radio Club of America needs a board of directors who will work diligently to move the club forward.
