The 2022 Young Wireless Professionals Welcomed as Radio Club Members

(March 24, 2022) The 2022 Young Professionals, selected in a program jointly managed by IWCE and the Radio Club of America, were welcomed as members of the oldest organization of wireless professionals in the world, the Radio Club of America, during IWCE 2022. The four individuals all work in wireless, are under the age of 35 and were recognized for “executing some of our industry’s most innovative ideas, showing creativity and initiative.”

The 2022 Young Professionals are:

Marcel Stieber, Senior Hardware Systems Engineer, Amazon Lab 126

Padraig Lysandrou, GNC Engineer II, SpaceX

Rachel Jones, Analyst for the Advanced Technologies Division, Savannah River National Lab

Rebecca Rich, Senior Software Engineer, Amazon

About RCA

Founded in 1909, the Radio Club of America is the oldest, most prestigious group of wireless communications professionals in the world. Members are dedicated to the wireless art and science for the betterment of society. The Radio Club of America is a 501(c)(3) organization. For more information, visit www.radioclubofamerica.org.
