## **RCA Announces Date and New Location for 2018 Awards Banquet and Technical Symposium**

**(February 15, 2018)**

The 2018 Technical Symposium and Awards Banquet will be held on Saturday, November 17, at the [Westin New York at Times Square](#). Room reservations for RCA event attendees at this four-star property in the heart of the New York City entertainment and dining district are available [at this link](#), at the discounted RCA rate of \$249 single/double. Attendees are encouraged to reserve rooms now, and plan to come in early and stay late, because the special RCA hotel rate is available from November 12-20, 2018.

The Technical Symposium will be held during the day on Saturday, November 17, with the Awards Banquet and pre-Banquet reception that evening.

“We are quite excited about our new home for the RCA Technical Symposium and Awards Banquet,” said Tim Duffy, RCA President. “This is an outstanding property that we plan to return to over the next several years. Having the Symposium and Banquet in a single location will make networking and socializing so much easier for our members and the hotel’s proximity to Times Square makes it ideal for dining, shopping and enjoying everything the city has to offer. With the average November New York City hotel rate at \$360, the RCA rate of \$249 makes this venue even more attractive.”
